6.5 **Auto Auction extension of the closing time.**

- a. **Auto Extension:** if any bidder submits the bid less than 5 min prior to Auction closing time, the system will automatically extend the auction closing time by 10 min.

For Example: If the auction is closing at 17:00 Hrs. and if any bidder bids between 16:55 and 17:00, the auto extension will extend the auction closing time to 17:10 and if any bidder bids between 17:05 and 17:10, it will be extended to 17:20 and so on.

- b. **Unlimited Auto auction extension:** As indicated above, if the bidder bids within the last 5 minutes of the auction closing time, the Auto Auction extension will continue to extend the Auction time till no bid is received within the last 5 minutes of the auction closing time.

6.6 **Auto Bid:** The Auto Bid feature allows Bidders to place an Automated Maximum Bid in an auction and bid without having to enter a new amount each time a competing Bidder submits a higher offer. Bidders are supposed to quote their next highest price in confirmation to the incremental value and in multiples of thereof only. There is no restriction on changing of the Auto Max Bid/value. But once Auto Max Bid/value is clicked and freezed, the same cannot be withdrawn at any point of time during the auction period. However, if the auction is cancelled and new auction dates are announced, the earlier Auto Max Bid/value shall have no relevance. After fixing the highest limit, the manual Bid button will be disabled. The system will automatically bid on his behalf, based on the auction's H1 price. His bidding dashboard will show his Rank, the H1 price and the highest bid ongoing in the auction. Until his auto-bid amount is not reached (in the H1 price Box) for a particular property in the e-auction, the manual Bid button on his screen will remain disabled. Once his auto bid amount reaches or crosses the Auto Max Bid/value amount, then he will have to bid manually otherwise the bidder may opt for auto bid again by setting a new maximum bid amount.

6.7 **Max multiples of increment value allowed per bid:** Bidder can quote the next H1 price up to current H1 price + (Plus) the maximum allowed multiple of incremental value.

For these auction Max Multiples of increment value allowed is 10 Times of the incremental value.

E.g.: Reserve price=62, 00,000 increment value 10,000 max multiple of increment allowed=10 times i.e. Rs.1, 00,000/-

If Current H1 value=68, 00,000 maximum next bid can be= 69, 00,000 i.e. 68, 00,000 (current H1) +10,000 (increment value) x10 (max multiple of increment)

Successful Bidder: At the end of the Forward Auction, SDA will decide upon the winner based on the highest bid placed for the property under auction and subsequent acceptance of SDA. The decision of "Vice- Chairman, SDA" will be final & binding on all the bidders.

In the event of one bidder quoting the highest bid for more than one asset and becoming the H1 bidder for two or more assets at the closure of the auction, he will be the successful bidder for only one asset for which he has quoted the higher amount than the other bids. In the rest of the assets, the H2 bidder will be declared the successful bidder.

However, in the event of one bidder being H2 for more than one asset at the closure of the auction, he/she will be the successful bidder for only one asset for which he has quoted the higher amount as H2 than the other bids. In such case if H2 opts not to go ahead with the asset then that specific asset shall be cancelled and the EMD of H2 will be forfeited.

Similarly, in the event a bidder is H1 for one asset and H2 for another asset then he/she will be bound to go ahead as H1 and his qualification for H2 will be declared void.

This process will be followed to ensure that one asset is allotted to one applicant/bidder based on his/her highest bid and multiple allotments will not be made under any circumstances.

7. PAYMENT SCHEDULE:

- 7.1 EMD to be deposited along with application form as per amount mentioned in the **Annexure A**. In case of a bidder applies for more than one plot, then the bidder needs to deposit EMD of the plots of the highest reserve price.

However, the Vice-Chairman of the Authority shall have the power to relax the conditions of payment schedule by providing extension up to a maximum period of 2 (two) months beyond 60 days of issuance of provisional allotment letter subject to payment of interest @12% per annum on the defaulted amount for the extended period and subject to however such application shall be entertained in case filed within the time period of issuance of the provisional allotment letter as stipulated under schedule 7.4.
